

ROYAL GOVERNMENT OF BHUTAN GELEPHU MUNICIPAL CORPORATION SARPANG DZONGKHAG

GMC/Advertisement- 27/2010-2011/3700

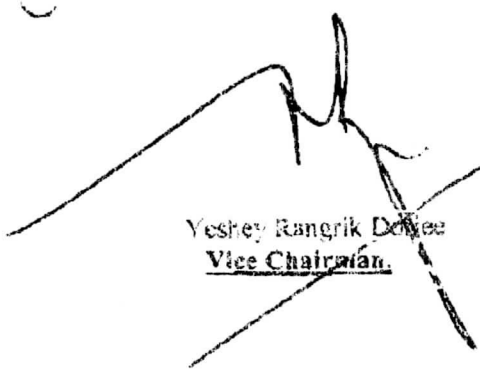

Date: 12.11.2010

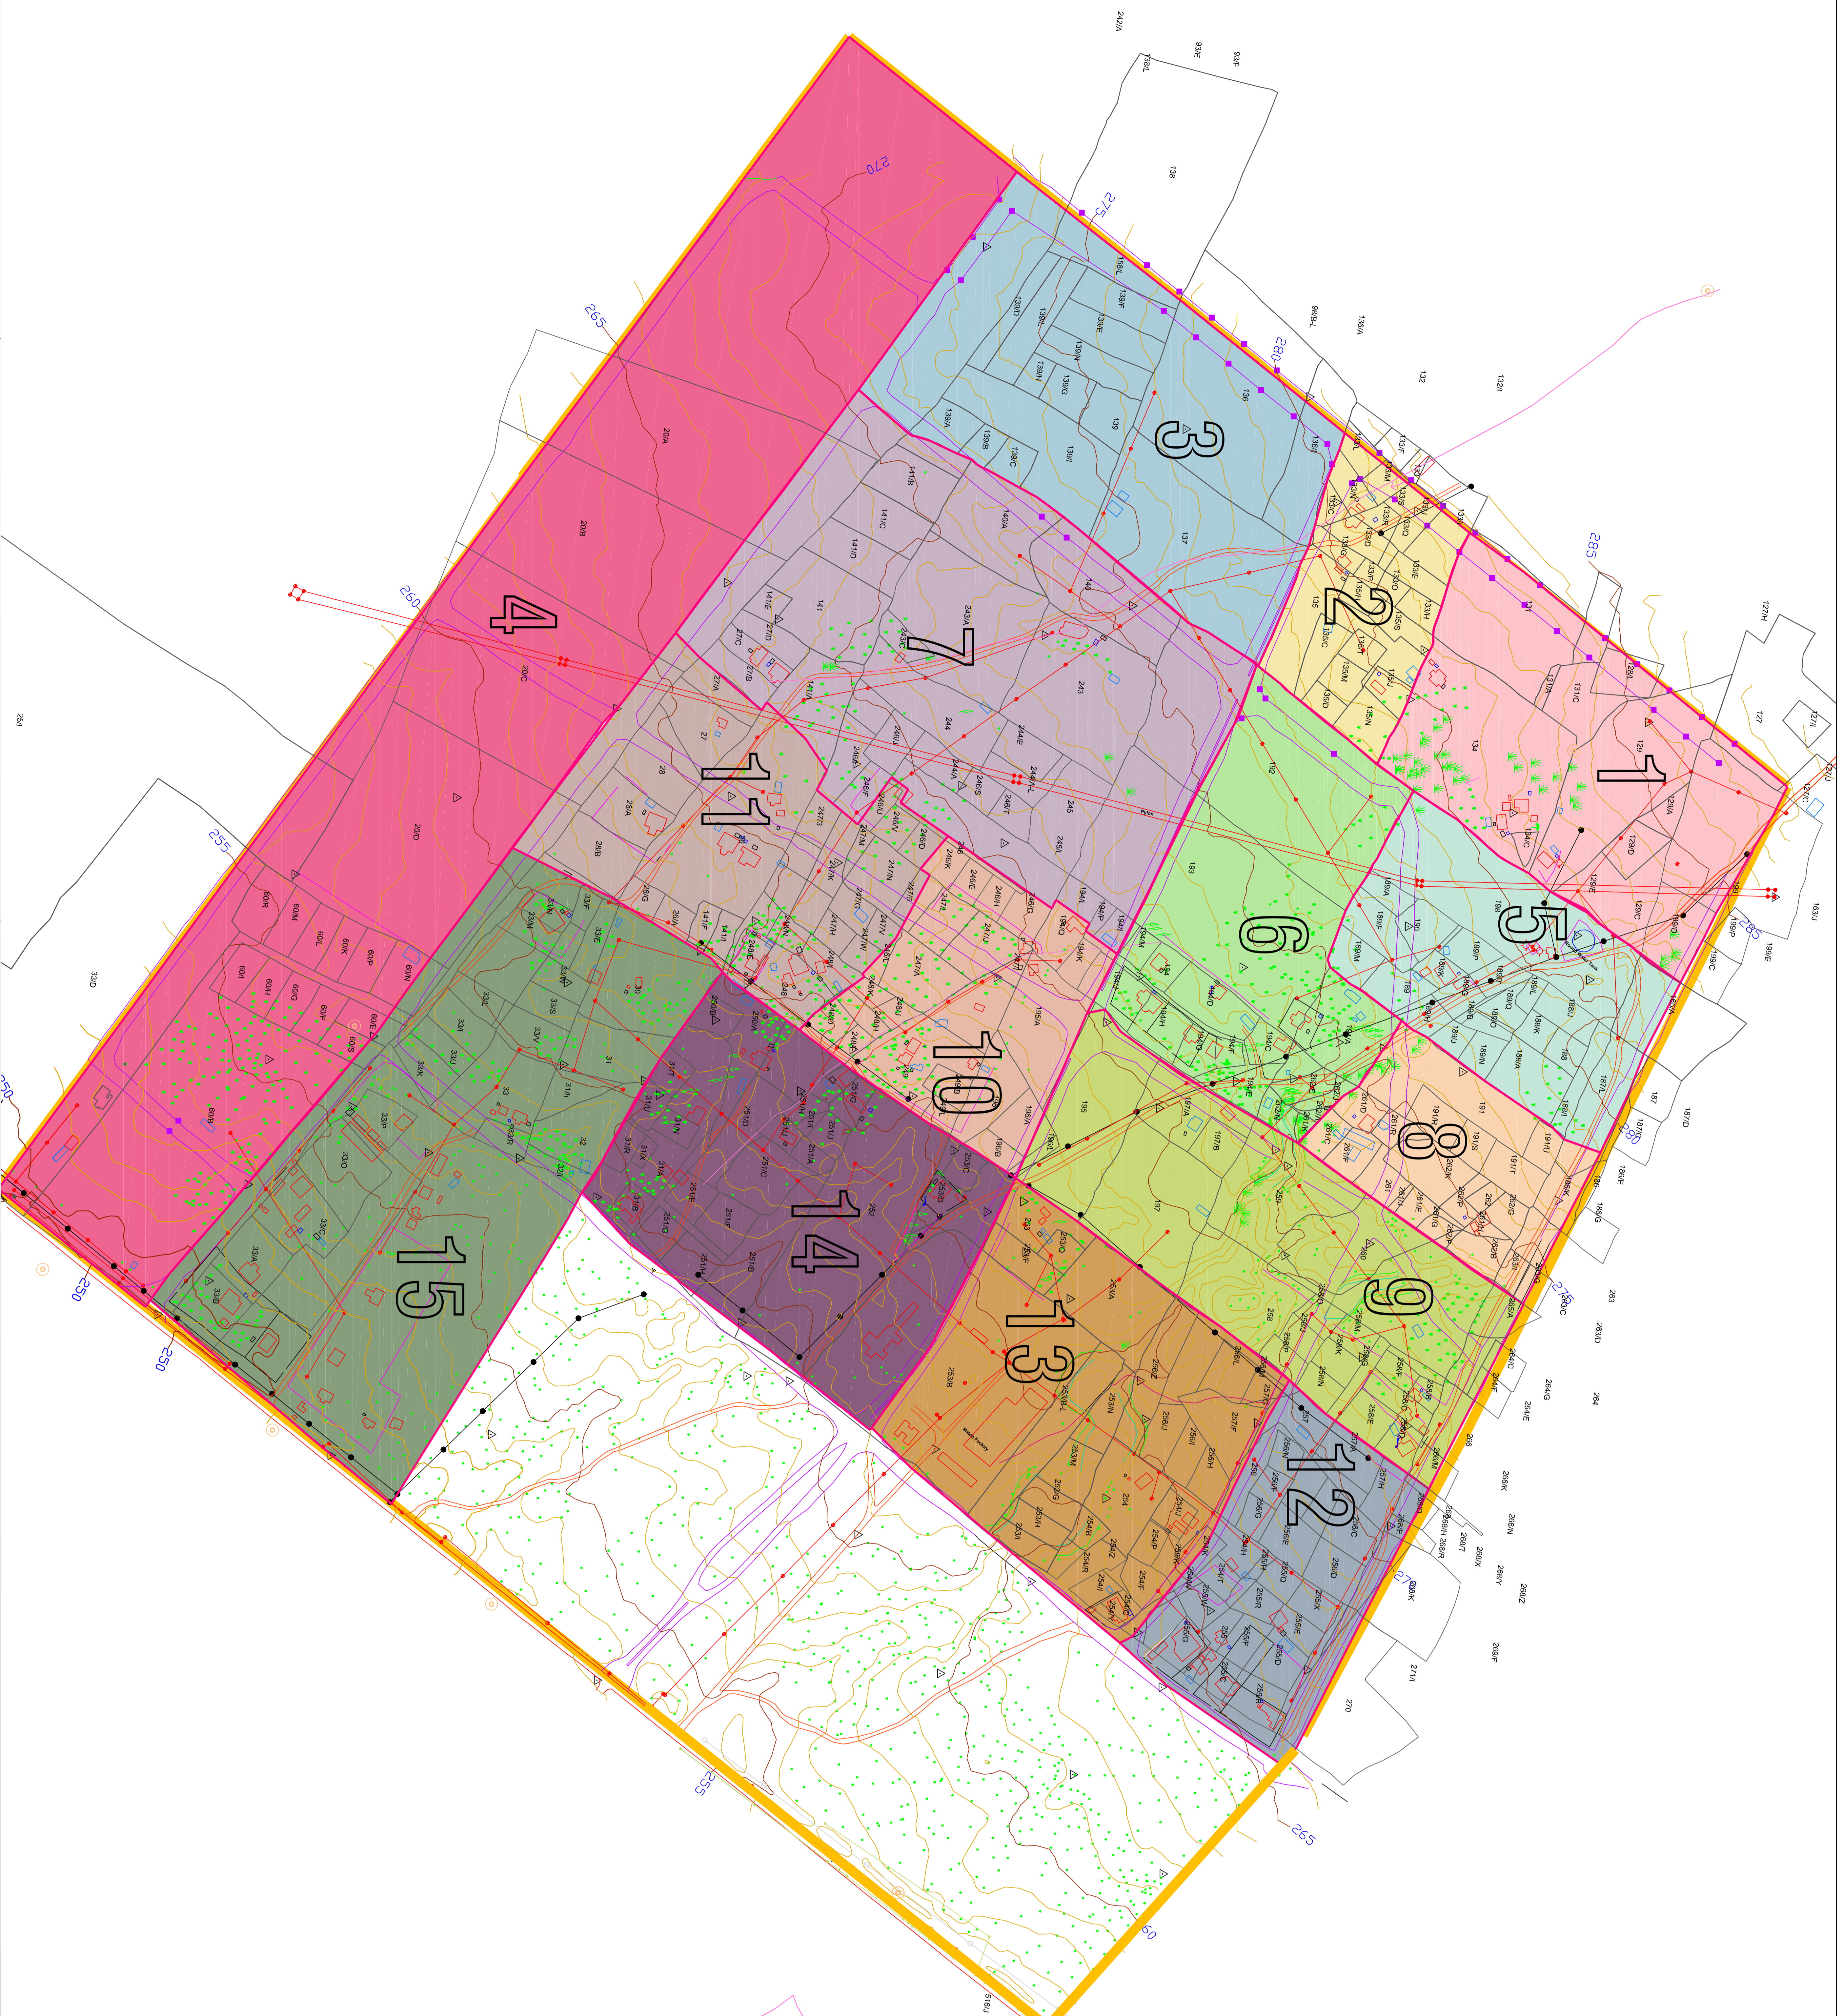

Public Notification

The Gelephu Municipal Corporation (GMC) in consultation with the Department of Urban Development and Engineering Services (DUDES), MoW&HS would like to notify those land owners whose land parcels are falling within the LAP II / Match Factory area in Gelephu to report for documents and ground verification at their respective sites. This is to initiate the updating of the land records to revise and finalize the plans in phases.

Similar to the LAP I area, the LAP II (Match Factory Area) also has been subdivided into smaller blocks and each block assigned a date beginning 29th November, 2010 for documents and ground verification. Information on block subdivisions and the dates for data verification are available at the Gelephu Municipal Corporation Office, Dzongkhag Administration, Sarpang and Office of Urban Planning and Development Division, DUDES, Thimphu and will be on display till December 13, 2010. Alternatively, the information can be accessed from the DUDES website: www.dudh.gov.bt.

Plot owners who have obtained lagthram/ land ownership certificate are requested to report along with other relevant documents at 9:00am in their respective blocks as per the dates scheduled on the map. They are also requested to clear their respective sites for the convenience of ground verification. Please be informed that the Municipality will not be responsible if any land owner/s fails to report and any discrepancies arise due to non compliance. Please call at 06 - 251417 / 02 - 322920 for further clarification.
