12th March, 2019

Notification

As the Financial Year 2018-2019 is drawing closer, all Departments are requested to ensure that the requisition of material are submitted to the Procurement Section within May 2019. Further the HoD's are requested to ensure that sufficient budgetary provision exists to qualify for the procurement of requisitioned materials. This is issued to streamline the procurement process especially at the end of the fiscal year and inculcate financial discipline in terms of booking the expenditures and closing of accounts and also to avoid "Closed Works".
